

MIRA COSTA TRACK AND FIELD BOOSTER CLUB 2017-2018

Booster Club Donations

Track & Field is the largest sports program at Mira Costa, allowing boys and girls from every grade – over 230 athletes -- to compete. However, if not for the hard work of our coaches and volunteers, and the generous monetary donations of our families and community sponsors, we would not have a Track & Field Program. We hope that we can count on you to donate and volunteer so that we can continue the excellence and tradition of what we believe is the best athletic program in the South Bay!

Your donation will continue to fund the coaches off-season and in-season stipends, track equipment, in-season transportation, tournament fees and assistant coaching cost, in addition to the traditional costs of running the program.

In order to meet Track & Field Program costs, we are suggesting a donation of \$225 per athlete (or \$350 per family if two+ athletes participate).

We understand that not everyone is in a position to give that amount, and that others can give more. We also understand that if Track is your athlete's second, or even third, sport, you have already been asked to donate to other booster clubs. Unfortunately, Track & Field does not receive any of the money donated to those other programs. Your donation in no way affects your athlete's ability to participate in Track & Field. However, we would very much appreciate your donation of any amount to help us continue to run the acclaimed Track & Field program.

For Your Tax Records: MB/X FOUNDATION will send you a donation acknowledgement card.
